EDUCATION

July - September 2009. Visiting fellow (**Erasmus Program**) at the Department of Dermatology (Chairman: Prof. Paulo Filipe), Hospital Santa Maria, University of Lisbon, Portugal. During this period of time I worked in the field of clinical dermatology.

November 2009. Visiting fellow at the UMHS Department of Dermatology of Ann Arbor, MI 48109 – USA. During this period of time I worked in the field of clinical dermatology and I actively participated in the “Grand rounds”.

October 2010. Degree in Medicine at the Catholic University of the Sacred Heart of Rome, 110/110 summa cum laude.

2011. Member of the Italian Medical register, n.14524 (PA)

July 2012 – July 2017. Resident in Dermatology and Venereology, at Catholic University of the Sacred Heart of Rome (Chairman: Prof. Ketty Peris).

January 2017 – April 2017. Visiting fellow at the Department of Dermatology (Chairman: Prof. Christiane Querfeld), City of Hope Medical Center, Duarte - Los Angeles, CA. During this period of time I worked in the field of dermato-oncology.

April 2017. EADV course on Mohs' Surgery at the Instituto Valenciano de Oncología (IVO),

Valencia – Spain.

July 2017. Dermatologist Certificate at the Catholic University of the Sacred Heart of Rome, 50/50 summa cum laude

January 2018. European board Certificate for medical tumor therapy in Dermato-oncology by EADO (European Association of Dermato-Oncology)

PROFESSIONAL ACTIVITY

I have participated in Phase II-III-IV clinical trials on Dermatologic Inflammatory and Dermato-Oncology diseases since 2009. During the last 10 years I have been deeply involved in the field of dermato-oncology managing patients with advanced BCC, SCC and Melanoma. I have also a special interest on cutaneous adverse events due to new oncologic treatments. I am a co-founder member of European Network of Cutaneous Adverse Events to Oncologic drugs (ENCADO group founded in June 2019), now included in new EADV task force “Dermatology for cancer patients” (founded in June 2020). I am promoter and co-founder member of Italian task force for diagnosis and treatment of cutaneous adverse events to oncologic drugs (TICURO group founded in May 2022)

Since 2019 reviewer member of Italian Guidelines for management of adverse reaction to Immune-therapy in oncologic patients (AIOM guidelines).

Actually I work as Dermatologist consultant at Fondazione Policlinico A. Gemelli in Rome.
