

ANGELO CAROSI

PROFILE

Sports TV Director since 1989, recognized as a point of reference in the Italian and international sports television industry. Specialized in covering sports events such as football, volleyball, basketball, cycling, and fencing. Solid experience in the complete management of sports productions, from pre-production to post-production, including planning and budgeting, gained in executive roles at prominent organizations like Sky Italia.

Expert in live multi-camera productions, from the most economical solutions to high-level outside broadcasts or studio broadcasts. An appreciated and often imitated innovator, with proven planning and organizational skills to set priorities, goals, and timelines, always oriented towards achieving the maximum result. Accustomed to working in teams in dynamic and high-pressure environments, with strong attention to detail and a collaborative and professional approach.
